President’s Letter

Dear Fellow Clubwomen,

This Pine Tree Notes is so jammed full that I almost feel like I should be writing in shorthand... But, instead, I will just highlight what you should be looking for in this issue. First of all - the Call to GFWC/MFWC Fall Conference - "GFWC - Today, Yesterday and Tomorrow". Just a snapshot of what is being offered - the Leadership and Development Seminar, the Project Linus Service Project, the Identity Theft Workshop, and so much more...We will present a draft of our Strategic Plan based on responses from the questionnaire you completed. We will also honor our Jennie Award nominees and state winner, as well as welcome our special guest, Shirley Gomes, GFWC/New England Region President. Don't miss out!

Also in this issue, please take the time to review the Bylaw Revisions proposed by our Bylaws Review Committee, and recommended for approval by our GFWC/MFWC Executive Board. We will vote on these at Fall Conference... In addition, the Membership Challenge - "Each One, Reach One" has begun. Just imagine if each ONE of us successfully invites just ONE friend to become a club member. We would double our membership! A chance for a great prize for your efforts, and just think of the new friends we will all make... Pat yourselves on the back, too, for our very successful Lobby Day. Although small in number, we were mighty. Three of the four pieces of legislation that we supported have passed! Read more about it in this issue...

So my greeting is a bit short this time - but read on... and come to Fall Conference on October 18th and 19th at the Ramada Inn in Lewiston to learn even more about what the GFWC/Maine Federation of Women's Clubs is doing.

It is hard to believe that time has flown by so fast. I was able to attend all the District Meeting and some of the Art Shows. Some of the Art Shows were separate from the District Meetings. Next year I plan to attend all the Art Shows.

I had the opportunity to attend the 116th GFWC International Convention in Philadelphia in June. What an experience that was, to see and talk with women from all around the world.

I am much looking forward to seeing you in the fall. Please plan on attending our conference October 18 – 19 at the Ramada in Lewiston. There are many wonderful things planned and it’s always good to spend time together. I find I always come away with renewed sense of purpose and enthusiasm for our volunteer work.

Peace!
Suzanne T. Raymond

It’s time to start thinking about your club budget for the 2007-2008 Federation year. Dues are now $17 per member ($14 for GFWC & $3 for MFWC). Yes, it seems like a lot, but we want to do our best to keep the General Federation and our own Maine Federation strong. Think what membership has meant to you over the years. Friendship, the joys of community service, helping kids… Let’s teach our children and grandchildren what our special blend of volunteerism is all about!

Please send club dies to me at P.O. Box 27, Castine, ME 04421 by December 31, 2007. And thank you, Pat, for a job well done. This is short and I hope sweet to meet the space needs for Libby’s big newsletter.

Marjorie W. Wood
Treasurer

Just a brief note about the next newsletter deadline. Due to vacation plans - Mike & I leave for St. Maarten on Nov.2 - the usual November 1 deadline date will be October 24. Unlike last year, when it was still a learning curve to put the Pine Tree Notes together, I WILL NOT be taking by laptop along. If you all get things to me right after fall conference, by Wednesday October 24, I will have (or take) time to finalize the copy before I leave. This will also mean the printer can be putting it together while I am away, rather than after I come home and with the holiday to interfere, so we should be able to get them in the mail much earlier this year - perhaps even while it is still November.

See you in Lewiston!

District 1 Clubs are all preparing for the new club year beginning in the fall. Here is just a little news of what is going on with this district.

Cosmopolitan Club of Bath had their annual yard sale in May. They hosted their annual Senior Tea for Morse High School; graduating seniors, their parents, grandparents, and teachers were invited. In June the club prepared for its annual Strawberry Shortcake Festival held on July 1. In July they started their Yankee Candle Fundraiser. They also are busy during the summer preparing yearbooks and programs.

Gorham Woman’s Club President Nancy Kenty reports things are quiet during the summer, but plans for new club year are on their minds.

Research Club of Limerick does not meet in the summer. At their annual meeting in June, member Ruth Floyd was honored for her outstanding service to her club and community. She was presented with cards and mementos from other club members.

Westbrook Woman’s Club work goes on during the summer, but time was taken to enjoy fellowship, sun and boat rides, and let not forget good food at the home of President Elaine Spiller at Sebago Lake.

Evelyn L. Meserve President

District 2

The clubs in District 2 are on break for the summer, but some of the clubs shared what they have been up to recently.

GFWC/The Dove Society celebrated Women’s History Month with guest speaker Lee Granville, curator of the local History House Museum and assistant Lynn Perry. Club members dressed up to represent admirable women from the past and present. On Federation Day, members visited a local nursing care facility for an evening of BINGO, filled 45 baskets with personal toiletry items and left them for the staff to give to the residents on May Day. In May they sold their Scholarship Calendars to raise the money for their three $500 scholarships and finished up the Margaret Chase Smith Basket fundraiser. They sold 95 baskets and presented the proceeds of $2,020.20 to Larry Ross, teacher at Margaret Chase Smith School, for his 2007 student trip to Arlington National Cemetery to participate in the Wreaths Across America Project. At Spring Convention in Bangor, the club was presented with the Carolyn Lombardi Trophy. In June they held an Antiques Appraisal Fair - an exciting, informative, and profitable event. The annual Yard Sale, held in conjunction with the local Farmer’s Market, was also a success. They are pleased to have a very special guest spending the summer with them. She is “beary” pleasant and visiting many places.

GFWC/Semper Fidelis Club ended the year with a banquet at Lakewood Inn Restaurant. They have had their annual Spring Plant Sale and will meet in August to hear what the planning committee has store and to begin the annual Community Calendar Sales. Also in August, members will be promoting and staffing a “Basket Bingo” fundraiser featuring Longaberger baskets to be held at the Skowhegan State Fair during fair week; all proceeds will be donated to the Skowhegan “Run of the River” Project.

Livermore Falls Women’s Club reported that their April meeting featured a domestic violence speaker and a shower for an abused women’s shelter. Several members traveled to Waldoboro to help that club celebrate their 100th anniversary. Members were instrumental in turning a corner of Livermore Falls, once considered an eyesore, into a small park with flowers and benches, and played a big part in preparing meals and refreshments for the Humanities Conference held annually at the Norland’s Living History Center. One member organized the first annual plant sale as a very successful fundraiser to support the local library. President Gloria joined us in June for an ice cream social and a garden tour.

Madison Woman’s Club reports that in April members visited Blackwell Hill Nursery in Madison and toured the greenhouses and grounds. Everything grown at the nursery is native or made hardy for the Maine climate and members were in-
spired to get started on their own gardens. Jennie June Bear was a guest at the annual banquet where she was welcomed and had a fabulous feast. Two new members were inducted into the club. In June, two members helped the art teacher at Madison Elementary School set up the school art show at the Skowhegan Savings.

Waldoboro Women's Club held their Annual Meeting and Luncheon in May. June was spent planning Whale of a Sale Scholarship Fundraiser for 2008. They received a thank you from SAD 40 for hosting a Senior Tea, an event they have done for over 50 years. Club t-shirts were ordered for new members. Members man the Lincoln Home Gift Shop from June to Sept and have a breakfast table at the Lincoln Home Founders Day on August 1.

**District 3**

It has been a busy and productive summer for everyone. We were among those representing our District at Lobby Day in our state capital and what an enlightening day it was!

At convention, the GFWC/Dexter Women’s Literary Club received a check for selling directory ads and received special recognition for being the oldest active club in the state with 115 years of continuous service. They’ve collected hats for the EMMC cancer patients and voted to raise money for their local police department’s project to purchase a safety/public announcement sign that is to be displayed at the police dept. They welcomed in a new member.

The **GFWC Newport Woman’s Club** has been accepted as a recipient of the local Chamber of Commerce’s fund raiser “Sparkle.” Monies raised by this event are distributed to selected local non-profit organizations, whose members assist the Chamber with the event to be held in November. The club received a Domestic Violence grant from GFWC in June. This money will be used by the club to promote DV awareness and NWC Club. T-shirts with the logo “Women -You can't beat them” on one side and the club’s logo on the other side will be sold. A portion of the funds raised will go to support organizations that address domestic violence.

The **GFWC Cosmopolitan Club** finished their year with a President’s luncheon and was proud of the recognition they received at the MFWC convention. They will meet again in September.

**GFWC/Miosac Club** held a Longaberger Basket Bingo in May. A yard sale at President Anne’s house in July netted $1200.80. Members are very pleased that their “Club Women At Work” picture submitted by Anne was a winner and will appear on the new GFWC Calendar!!

The **GFWC/Outlook Club** participated in the Hartland Fun Day with members carrying the club banner or wearing costumes of children’s book characters and distributing balloons with tags of club information. 50 year member, Meredith Randlett, rode in honor in a Ford T-Bird convertible. At the Irving Tanning Community Center the club hosted "Books Alive", reading "in character" then giving the books to the attendees. The scholarship pie sale was also that day. The Tri-Town Food Cupboard, The Y.A.R.D., the Hartland Library, and Somerset House continue to receive club support.

**District 4**

The **Acadian Community Woman's Club** hosted a Memorial Day observance in Winter Harbor which began with a parade up Main Street followed by a brief ceremony, then coffee and home baked refreshments in the gym. The ACWC has donated large cement planters, which rest on newly positioned retaining walls, to the town of Winter Harbor. Club members filled them with red, blue and white annuals and rotate shifts tending them. July brought their annual Summer Bazaar which earned the club $799.00. The ACWC reordered 200 copies of their community cookbook, having already sold 400 copies at $10.00 each. The club purchased toys, puzzles, books, games, and craft supplies to do-
nate to a family of ten who lost their Aurora home to a fire. As an August fundraiser, the club will sell boxed lunches for an artist’s studio tour in the Gouldsboro village of Corea. For the third year, members are gearing up to participate in the Susan G. Komen Race for the Cure in the Bangor - this year’s goal is $3,000.00. Traditionally, the club has recessed January-March, but with new members and great enthusiasm, they will now meet year round; seasonal members to be updated via a quarterly club newsletter and email.

The Lubec Woman’s Club has been busy with Senior Social activities. The group has enjoyed a steel drum presentation, other programs by local musicians and an ice cream social. Members have presented music programs for the local nursing home residents and are once again volunteering at the West Quoddy Head Lighthouse Museum and Visitors Center. Three LWC members had milestone birthdays - two reached age 90 and one age 94 - recognized on her special day with cake. Club members teamed with the Lubec Historical Society and held a very successful yard sale on the 4th of July - over $1,700 was raised. The club is making plans to celebrate 90 years in Federation.

The Hancock Woman’s Club has been busy since the installation of officers at the May Banquet. In addition to the annual Chicken BBQ held July 28th, they are busy planning for their Annual Lobster Dinner to be held August 17th at Hancock Point. They have been working on a calendar for several months, with spectacular, large, glossy color photos of the people and places of the town of Hancock. If you would like to order one contact: President Charline Sheridan.

Have you thought of art as therapy? Yes, ART For The Heart. The benefits of art can help you personally as well as your community. It’s a time to release emotions and help relieve stress and anxiety. I give Plein Air (painting outside) retreats and workshops in the summer and fall and find these stimulate the artistic flow of ideas while enjoying the healthy benefits of nature and the fresh air.

Your talents can be shared with your club members by entering the writing, poetry, scrapbooking and visual arts contests in photography. Start now for the spring competitions and remember Maine Women are creative, and that means YOU! E-mail me with any comments or questions. Get out your pens and cameras and start letting that creativeness flow.

Hands: It's printing time for your programs and I would encourage you to have a program on the headwear for CANCER patients. We would like to have you bring hats to the convention where a box will be available for all the hats you bring. The hats that were brought last year went to the Eastern Maine Cancer Center - all different styles, shapes and colors. The hats are needed, make the patients feel better about themselves and give them extra courage and hope knowing people care. Let’s not forget the March of Dimes campaign. Last year gowns were made to fit premature babies.

Dollars and Sense:
Identification theft is a program that we need to promote to help people understand the risks.

Women’s Health: I still have a CD on stroke, entitled "Know the Sudden Signs of Stroke". that is available for free to any club for a program.

It was 60 years ago that I myself was at the receiving end of America’s outreach programs. I had just started high school in Hamburg, Germany. We had no food, no clothing. It was post world war II. The
very highlight of our school days were the frequent Care packages that we received from America. I can still feel the joy, when we had a break from those heavy, soggy breads, made from some kind of by-products, which are nowadays fed to live stock. I could go on and on, but I just would like you to understand how important it is to remember that there are still so many children all over the world that desperately need our help!

Please remember Unicef’s Trick-or-Treat program. Involve the children in your neighborhood, church or school and help them to understand how important it is to reach out to needy children around the world. Order collection boxes at www.unicefusa.org/trickortreat, or get them at any Hallmark Gold Crown or Pier 1 Imports store in the Fall. At Spring Convention, the GFWC/Dexter Women’s Literary Club gave out little sparkling, purple purses filled with candy, plus a note that reads as follows: “Dear GFWC/MFWC Club Woman, Please be a “lifesaver” and open your “purse” strings and donate to CARE. Hugs and “kisses”. This was very much appreciated and, we hope, led to extra donations to Care. Also, if your club raises $300.00 during this administration for Plan USA, you are eligible to be part of a drawing that could send two of your club women to a country where Plan USA operates. Act locally – think Globally!

We have recently attended a Volunteer Veteran’s information session at Togus. We were made aware of all the services which Togus, the oldest facility in the country, offers our Vets, and we learned of two unfunded programs, in place, and hope you can help.

#1. In light of our current world situation, Togus sees more young Vets for treatment. They often bring their wives and children who wait while they receive treatment. Togus provides in house made coloring books but needs small boxes of 4 or 5 crayons which each child can use and take home.

#2. Each unit provides an area of “comfort care” items which are free for the Vets to take as needed. These include disposable razors, deodorant, shampoo and conditioners, small soap cakes, hand and body lotion, shaving cream and mouthwash (anything containing alcohol is not wanted). Small size items such as hotel “freebees” are what are needed. We will provide containers on our Market Place table at Fall Conference. These are on-going needs. Please help. Please share this info with your club.

Looking forward to seeing all of you at Fall Conference in Lewiston.

**Fundraising**

This committee wishes to thank all of you who have supported our fund raising efforts. It has been our intent to offer items that reflect the butterfly emblem of our President Gloria Leveillee. To that extent we have beautiful candles with butterflies etched on the vase, butterfly magnets, jeweled butterfly pins and enamel butterfly pins available for purchase at our Fall conference in Lewiston. We also have an inventory of membership pins, president's pins, Maine Federation charms and GFWC pins.

We have bucket hats, totes and shirts with MFWC emblem available also. If anyone would like one of the shirts, please call us at 426-8870 or 487-5684 and we will take it to the Fall convention. We have small, medium and 1 extra large available at present. The "large" size will have to be ordered. The shirts are $27.00 each and launder like a "hankie".

We have a raffle "Rest, Relax and Read" with an assortment of items. Tickets are $1.00 apiece or six for $5.00. It is our hope that each member in Maine will support this fund raiser.

It is a pleasure to meet and greet each of you at the "Market Place" at each state meeting.

**Educational Loan Fund**

This year, we awarded three Maude MacKenzie scholarships - two $1,000 and one $500. The recipients were: Mary T. Freeman, Morse High School in Bath; Lisa J. Batuski, Orono High School; Kylie Huff, Maine Central Institute in Pittsfield.

Our interest-free loans of $600 each were awarded to nine students: four new loans and five renewals.

Thanks to the District Presidents for spreading the word concerning availability of our scholarship(s) and loans, and seeing that the high school guidance offices have applications for both. Each District has a considerable number of applications to consider in picking one finalist, and this is often very time consuming. We appreciate your assistance.

**Historian**

The History Proposal was approved at the summer Board meeting on July 18. To get the proposal emailed please contact me at flétrich-nyc@yahoo.com. The proposed budget will be voted on at Fall Convention. We won't have any funds until that happens. The Oral History Book Project deadline is October 1, 2007. Go on line at www.gfwc.org and go to ‘about us’ if you need more information on this project, or e-mail me ASAP if you have any questions about equipment or other. I recommend that if you don't already have equipment go to Radio Shack or Wal-Mart and buy the cheapest tape cassette and tapes and just do it, just get the interview and the rest will be easy. There might not be funding for any reimbursement; and if you have not done any interviews, nor sent them to WHRC or GFWC/MFWC, we will not be able to reimburse you, so be sure you want what you buy.

We've had more documents donated to Fogler Library, Special Collections, and an old leather satchel, priceless discovery of old Unions instead of Districts. And more to come. Thanks for your enthusiasm and contributions.

Leadership

“If your actions inspire others to dream more, learn more, do more and become more, you are a leader.”

- John Quincy Adams

John Quincy Adams must have been speaking about Maine clubwomen – leaders, who by supporting MYL, do exactly what he states above! The consensus was that Seminar 2007 was a great success! Over 110 sophomores were challenged to
open their eyes, hearts and heads, to choose their attitudes, to define themselves and to expand their vision for the future. Speakers and panelists got glowing reviews on the evaluation forms. Gov. Angus King “knocked their socks off” with his one hour and a half presentation on leadership and volunteerism, using the Civil War as his teaching tool.

Next Spring’s seminar is already set for May 15-18. It is truly hoped that you will repeat your generous support of our young students.

Below is the complete list of clubs who supported the 2007 Seminar. Thank you so much for your generosity and dedication.

President’s Project

Hello, everyone, I hope you’re having a groovy summer! To date we have raised $2,396.60 for the Maine Women’s Fund. We have only $2,603.40 left to go before we hit the goal of $5,000.00. If every club sends in the requested amount of $5 per member then we will reach our goal without a problem. So far three clubs have met the goal set before them, they are the 21 club of Kezar Falls, GFWC Skowhegan Woman’s Club and the Westbrook Woman’s Club. Yahoo way to go girls!!!!!

We need only $103.40 to make the halfway point. Come on and send it before Fall Conference, so we can celebrate the halfway mark together.

I am going to have a special raffle that every girl would want to win at the Fall Conference, so bring your George Washingtons and Abe Lincoln for purchasing a butterfly for the honor board.

Peace and Love to all,
Ann Marie Withee-Heald

Notes from Corresponding Secretary: 1) Due to the large number of changes and the fact that not all members have copies of the Directory where they can be found, you will find the entire document in this section of the newsletter. This section has been centered in the Pine Tree Notes to facilitate removal. Please bring this with you to Fall Conference. 2) Publisher does not seem to support strikethroughs to indicate the text to be deleted. Therefore, your CS has chosen to use a double underline to indicate text to be deleted.

Each GFWC administration offers and/or suggests resource material for projects and/or study within each Department and each Program.

(Add the number six, eliminate three and add pertinent.)

No members shall serve two consecutive terms.

(Change Nominating Committee members from seven to five and Delete above and insert bold print below.)

**Rationale:** to make it easier to find a committee due to reduced membership and since the Past President is often the Chairman, it clarifies the selection of the two appointees.

(A Chairman and one member of the committee shall be appointed by the Executive Board and announced at the first Advisory Committee meeting of the administration. RESOLUTION ON PROTECTING OUR CHILDREN FROM SEX OFFENDERS ~ “JESSICA’S LAW”

The Resolutions Committee of GFWC/Maine Federation of Women’s Clubs proposes the adoption of the following resolution:

Whereas, 30-40% of girls and 13% of boys experience sexual abuse during childhood, and
Whereas, the trauma caused by sexual abuse is well-documented and may affect a victim throughout her/his life, and
Whereas, about 60% of sex offenders are under conditional supervision in the community, and
Whereas, the average sentence for sex offenders is only almost 3 years (1993), and
Whereas, an estimated 1 in 4 imprisoned sex offenders had a prior history of conviction for violent crimes and 1 in 7 had a previous conviction for a violent sex crime, and
Whereas, within 3 years of release from prison, 38.6 percent of sex offenders were returned to prison, as a result of a new crime or technical parole violation, and
Whereas, the protection of our children from sex offenders is of critical importance,

Therefore let it be resolved that GFWC/Maine Federation of Women’s Clubs support the adoption of “Jessica’s law” including a mandatory minimum sentence of 25 years for a sexual offense against a child under the age of 14, with no time off for ‘good behavior,’ no early release on parole, and mandatory consecutive sentences for each act resulting in a conviction, and
Let it be further resolved that GFWC/Maine Federation of Women’s Clubs support expanding “child safe zones” from 200 feet to 2000 feet from schools, day care centers, athletic field, park, playground or recreational facility or other place where children typically gather.

This proposed Resolution will be presented at Fall Conference on October 18-19, 2007 at the Ramada Inn in Lewiston, Maine.

MEMBERSHIP CHALLENGE!
"Each One, Reach One!"

Think about if EACH member invited just ONE friend to join them at Women's Club! And we all have friends that are not involved in club work... We could double our membership! Wow! And just think, all we would EACH have to do is just get ONE friend to join... Doesn't sound that hard, does it? We're going to challenge EACH and every ONE of you to do just that!

Remember the POWER of ONE means "Each One, Reach One!"
Lobby Day Report

Fourteen GFWC/MFWC members representing clubs from various areas in the state met in Augusta on May 22, 2007 for GFWC/MFWC Lobby Day. What a day! It started with a warm welcome by Hannah Pingree, Majority Floor Leader. Lacey Sloan, GFWC/MFWC Public Policy/Legislative Chairman then instructed us with tips on how to lobby our legislators. Governor Baldacci joined us for a half hour talk where we discussed some of the legislation for which we were advocating that day. We were then recognized from the floor of the House of Representatives by the Speaker of the House, Glen Cummings.

Then, the work began. Each of us "buttonholed" our state representative and state senator in the "lobby", and passed on important information regarding the four bills we were supporting. The real success, however, is that three of these four bills have passed:

LD 101 - An Act to Enhance Screening for Breast Cancer had already passed, but was signed into law on that very day - May 22, 2007.

LD 792 - An Act Concerning Postpartum Mental Health Education passed and was signed into law on June 6, 2007. LD 1039 - An Act Regarding the Determination of the Predominant Aggressor in Domestic Violence Situations was signed into law on June 20, 2007.

Unfortunately, we were not successful in seeing LD 1224 An Act to Prevent Violence against Maine Families and To Provide Adequate Intervention in Cases of Domestic Violence and Sexual Assault. This bill died in committee primarily due to the funding required. We will need to continue to advocate for passage of such a bill because as Iris Snowfire, one of our clubwomen has said, "it is more costly NOT to adequately fund prevention and intervention of this problem."

We should be proud of our efforts in lobbying for what we know is needed in our society. A sincere thanks to Lacey Sloan, GFWC/MFWC Public Policy and Legislative Chair for organizing this day. Many thanks to our fellow clubwomen for any letters of support that were sent to our state legislators advocating for passage of this legislation.

14 MFWC members attended Lobby Day
Dear Fellow Club Members,

Congratulations and sincere gratitude! The first year of the 2006-2008 GFWC administration has been one of remarkable achievements.

The outstanding programs and projects promoted by our members in the GFWC President's Special Project: Domestic Violence has been recognized at the national level with a proclamation by the President of the United States of America; a special tribute in the Congressional Record, and partnership in a national program to end domestic violence.

GFWC has partnered with the National Domestic Violence Hotline on a national program entitled: Million Voices Campaign to End Domestic Violence in America. GFWC members had the opportunity to be the first of the million voices to sign this national campaign pledge at the 116th GFWC Annual International Convention and will continue to make a difference in the awareness and prevention of domestic violence by participating in the national Make a Difference Day on October 27, 2007.

It is hoped that each of you will take the opportunity to become more involved in GFWC at the local, district, state, region, and national level. Your presence at meetings scheduled in your district and state, your attendance at the conference in your region this fall, and your participation at the 117th GFWC Annual International Convention in Chicago, Illinois, in June 2008, are special advantages awarded to you, the club member.

However, of utmost importance is the work that is done within our communities throughout the world. As we continue to enhance the lives of others through our volunteer service; as we unite in our diversity to achieve national credibility; and as we strengthen the bond of friendship in our mutual concerns and beliefs; we uphold the theme of this 2006-2008 administration GFWC...Empowering Women...One by One!

Yours, in Federation Service,

Jacquelyn Pierce

Additional Information on the 2007 GFWC/MFWC Fall Conference:

1. **Attire:**

   - **Thursday Business Session:** GFWC or MFWC Emblematic Attire (It's time to wear that GFWC or MFWC T-shirt, hat, sweatshirt, bracelet, pin and/or carry that tote bag. Let's show everyone that we are members of GFWC Maine Federation of Women's Clubs!)

   - **Thursday Banquet:** "Put on the Ritz" (It's time to wear the absolute dressiest outfit you own... time for the sequins, jewels, and/or your Sunday best! GFWC/MFWC members have style - and we'll be "strutting our stuff" that evening!)

   - **Friday Business Session:** We will be highlighting the Home Life Department and the Education Department so you have a choice. Come wearing some yellow (Home Life) or blue (Education) or both!

2. **Thursday Leadership Seminar or Service Workshop (select one on registration form):**

   - **Leadership Seminar:** This workshop is being presented with incoming or aspiring club, district or state leaders in mind. Topics covered will include meeting basics (the agenda, procedures, etc...), public speaking, conflict resolution, leadership styles and the GFWC LEADS opportunity. Even if you are already an officer, but you are new to the job, this workshop will provide you with invaluable information.

   - **Service Workshop:** During this "hands on" workshop, GFWC/MFWC Vice-President will lead us in making blankets for Project Linus. It can be done, and it will WITHOUT sewing machines. What an opportunity to come together, as volunteers from around the state, to do what we do best volunteer!

3. **Donations:**

   In honor of the GFWC/MFWC President's Project, the Home Life Department and the Education Department, I would like you to consider donating to the following organizations by bringing the described items:

   - **Classy Lady Boutique, Lewiston** (Recipient of 2005 Maine Women's Fund Grant): In order to help women dress for success, this nonprofit seeks donations of gently worn clothing. All donations must be of professional attire (no jeans, or sweatshirts, gently worn (no holes, missing zippers, etc...) and clean (dry cleaned preferred but not required). So, have you cleaned out your closet yet? For more info - www.classylady.net

   - **Heavenly Hats** (Home Life Department Program): Donate new hats to cancer patients who lose their hair due to cancer or other medical conditions. Soft "bucket", "newsboy", scarves, turbans or bandanas, as well as baseball caps are welcome. More info - www.heavenlyhats.com

   - **Library Books** (Education Department): You bring the new children's book and we'll find a local Lewiston area domestic violence safe house program which will receive the books.
**Newsletter & Directory Orders**

Just a reminder that many clubs and individuals have not sent in orders for the Directory and Pine Tree Notes for this new club year. Club presidents will have their names added to this order/mailing list, with payment expected by the time you pick up the Directory at Fall Conference. Anyone on last year’s E-list will continue to get the electronic version, but those wishing to receive paper copies in the mail MUST send an order form with payment to the Corresponding Secretary: Libby Wiers, PO Box 159, Saint Albans, ME 04971-0159. The forms are available at the website: www.gfwcmaine.org.

**Tidbits**

**Important Deadline**

NER Call and registration forms have been forwarded via email (or regular mail) to all members of the Administrative Team at the state level and to all Club Presidents. Club Presidents should have made copies of the call and registration for their club members who might be interested in attending. The registration deadline is **August 25!**

**Email Changes**

Administrative Team and Club Presidents - Please be sure to notify Gloria Leveillee gleveillee@adelphia.net and Libby Wiers libbyw@tds.net if your email address changes. Email is the primary means of communication currently being used. If we have an email address on record, that is the method that is used to send out announcements, information, etc... Please be sure to read your email on a regular basis. If you do NOT have email, you will be contacted by phone or regular mail.

**Where is Jennie June Bear?**

We’ve had some hints as to her travels over the summer. (Did you read the District reports?) Whoever has her now, please remember to bring her to fall conference when you come. We all want to read her journal to see where she has been; and that way she can easily continue her tour of the clubs.
